(click each name for website)

Mark Smith - Great storyteller and wonderful wildlife photographer (shoots Sony mostly)

Nick Page - Nick runs a nice Youtube channel with various videos on shooting and editing. A very "real" guy.

Sean Tucker - Mostly topics about the thought process in photography.

Patrick Murphy-Racey - A Sony shooter that shoots sports and does a lot of gear reviews as well.

Steve Perry - Nikon shooter and wildlife photographer. Great Youtube channel.

Thomas Heaton - Canon shooter and YouTube "Vlogger" - mostly landscape stuff.

Some People I Like to Follow

Photoshop Training Channel - Focussed on Photoshop.

Blake Rudis and f/64 Academy - Blake is a great guy and advanced Photoshop teacher.

Tom Bol - Tom doesn't do a lot of content because he's always working on commercial jobs. But man... he's so passionate and genuinely gets excited to share what he knows and has learned.
